

Dear Parents of Columbus Middle School,

Due to the recent activity around the country, Columbus Schools is in a mandatory two week shut down. As this is a new situation to everyone involved, we ask you to be understanding, as we know it's an inconvenience to everyone involved. The whole goal is to make sure everyone is healthy, and we hope that in two weeks we can see all the smiling faces again in our halls. As time goes on, we have alternative measures to make sure your child/ren gets their educational needs met. In the event it is longer than the two weeks, we will provide more information on how to continue studies.

I will personally be in the office to answer any questions 8-4, M-F. We are currently sending out homework for your child to work on for the week of 3/23-3/27. This will be done a variety of ways:

6th Grade- Google Classroom/Packets to be mailed home

7th Grade-Google Classroom

8th Grade-Google Classroom

We ask if students can come in between 8-4 before Friday to clean out their lockers in an attempt to aid in the deep cleaning of our school.

Meals will be provided with 24 hour notice. Please contact the school to get on the list. The meals will be available at the Stillwater Youth Center from 7:30-9 am for breakfast and 11:30-1 for lunch.

The Middle School Website and App will be used to relay information to you and your student as well as our email system. Please check the website for more information.

The district will do everything it can to keep you up-to-date on situations regarding your child/ren's education as we proceed through this COVID-19 outbreak. I want to thank everyone for their patience as we work through this process. Please feel free to contact me with any concerns, ideas, or comments you have regarding the current situation.

Sincerely,

Joseph Morse, Middle School Principal
