

LORIE MARTINEZ, ADVISOR

District 10 FCCLA was held October 24 at Laurel High School. Columbus had 7 members attend. Scot Rosberg, a guest speaker, from Livingston talked to the kids about leadership and being the best “you”. There were a variety of workshops offered to the members. There was the installation of the new District 10 officers. Columbus’ RaiLeigh Strommen was the newly elected District 10 officer. She had to take a written test (she scored the highest of all candidates), prepared a 3-5 minute speech as to why she felt she should be elected, and also, had to answer a series of fact and situation questions in front of everyone who attended the convention. She will also be inducted at the State Convention in March, along with all the other district officers from across the state, in Bozeman. This is a huge accomplishment for RaiLeigh and the local chapter.

Congratulations RaiLeigh!!
